Unique Opportunities and Challenges in Public Accounting

- Audit – Delivers outside-in perspective, enhances public trust
- Advisory – Uses risk to power performance and enable strength and resilience
- Consulting – Address complex challenges in strategy, HP, and technology
- Tax – Tax planning and compliance across various different service areas
- Advantages for public accounting
 - Supercharged education because you're exposed to many industries
- Mentorship
 - In public accounting you get counselors, mentors, coaches to support you throughout your career
- Flexibility and balance
 - You have the ability to customize your career with great benefits and PTO policies
- Development and growth
 - Contract learning and access to training
 - Continuous opportunities for career progression
- Breadth of a firm
 - When you work at a public accounting firm, you will get exposure to a wide variety of industries and clients along with a global network
 - Working at a large firm with various functions (audit, tax, advisory, etc.) you will have the opportunity to see businesses from multiple perspectives
- Challenges
 - Constantly changing environments and schedules
 - Managing different working styles and business chemistries with clients or team members
 - High expectations due to a performance driven culture
- SLP application due date: Sunday, 2/11/18
