- 1) What is the recruitment process at each firm?
The recruitment processes at the Big Four include submitted applications by the associated firms' deadlines; virtual interviews; live, virtual interviews; and online aptitude tests.
- 2) What stands out on resumes?
Including an "interests" section at the bottom of your resume is a really good idea to stand out. You can include interests such as cooking, traveling, sports, etc. These often catch reviewers'/interviewers' attention and create conversation points.
- 3) What is the process like for recruiting for Consulting?
The Big Four recruiters are mainly concerned with typical tracks, such as audit and tax. Highly specified service lines have fewer positions available and are more rare.
